[Brackets] indicate matter stricken from existing law.  
~~Strike out~~ indicates matter stricken from bill.  
Underlining indicates amendments to bill.

WHEREAS, effective policing is predicated on positive interactions between law enforcement agencies and the public they serve; and

WHEREAS, these positive interactions also depend on the public having trust in the members of law enforcement; and

WHEREAS, an important component of that trust is for the public to be able to readily observe and ascertain the identity of law enforcement officers during the performance of their duties; and

WHEREAS, the Baltimore County Police Department in particular has consistently demonstrated its commitment and leadership in meeting and exceeding the needs of communities, and in engaging in practices that facilitate the best policing outcomes; and

WHEREAS, the County Council believes that transparency, including a prohibition on all law enforcement officers wearing masks to conceal their identity, goes hand-in-hand with effective policing; now therefore

1           SECTION 1. BE IT ENACTED BY THE COUNTY COUNCIL OF BALTIMORE  
2 COUNTY, MARYLAND, that the Laws of Baltimore County read as follows:
