### **Baltimore County Council Announces March 16, 2026 Virtual Only Meeting Schedule**

Towson, MD – The Baltimore County Council announced today that both the **Public Meeting with BCPS Superintendent Myriam Rogers at 4:30 p.m. and the Legislative Session scheduled at 6:00 p.m. on Monday, March 16, 2026, will be virtual only.**

“With schools closing early and the change in Baltimore County Government’s status to open with liberal leave beginning at noon today due to the forecasted likelihood of severe weather, the County Council is taking the added precaution of holding our meetings later today virtually only,” said Council Chairman Mike Ertel. “The safety of our residents and anyone wishing to participate in our meetings is our most important concern. I also want to thank our first responders, who will be on alert during this weather event.”

For more information on how to connect virtually to the Council’s Public Meeting with the Superintendent or the Legislative Session via video teleconference, please visit the County Council Sessions and Meetings link located on the scrolling blue ribbon “ticker” at the top of the Council’s Homepage or at <https://countycouncil.baltimorecountymd.gov/virtual-meetings/>. You may also contact the County Council at 410-887-3196.

Please check the “ticker” periodically for additional updates on the Council’s schedule should conditions warrant any changes in status.
